Music to the Ears of Palliative Care Patients

Palliative Care patients at Bethesda Hospital in Claremont will be treated to a musical performance by students from Swanbourne Primary School (PS) on Thursday 13 December 2013 at 11am.

Seven students who are part of the Swanbourne PS Flute Group will be performing in the Palliative Care ward, entertaining patients and their families, as well as the Bethesda Hospital staff.

The students will then later perform at the Bethesda Hospital staff Christmas lunch that is to be held in the Hospital café – as a way of thanking the staff for all of their hard work throughout the year.

This visit by the primary school musicians was facilitated by Hospital chaplain David Ladner, and the chaplain and music teacher from Swanbourne PS, Rhonda Millar and Delia Bullock.

Bethesda is an independent eighty eight bed hospital in Claremont which has been providing outstanding surgical and palliative care and service to the Western Australian community for nearly seventy years.
