

ORTHOPAEDIC CONDITIONS FOR FINAL GP EDUCATION SESSION OF 2015

For the final General Practitioner (GP) education session for 2015, orthopaedic surgeons from Coastal Orthopaedics and principal physiotherapist from Body Logic Physiotherapy will be presenting on common orthopaedic conditions on Thursday 5 November 2015 at Bethesda Health Care.

Up to 40 GP's are expected to attend this evening session held in the hospital café, which will include patient examination techniques and small group discussions.

SPEAKERS:

Dr Paul Khoo – Orthopaedic Surgeon
Dr Omar Khorshid – Orthopaedic Surgeon
Dr Toby Leys – Orthopaedic Surgeon
Dr Brendan Ricciardo – Orthopaedic Surgeon
Dr Matthew Scaddan Orthopaedic Surgeon
Chris Perkin – Specialist Sports Physiotherapist

TOPICS:

- Diagnosing shoulder pain
- Common knee injuries
- Foot and ankle problems
- Managing adolescent knee pain
- Arthritis of the hip and knee
- Patient examinations
- Rehabilitation demonstrations

This is the third time that Coastal Orthopaedics and Body Logic Physiotherapists has been included in the popular GP Education program, which is now in its third year.

CEO of Bethesda Health Care Yasmin Naglazas said that ' the orthopaedic education sessions for GP's are always popular and we are very privileged to have specialists such as Body Logic Physiotherapy and Coastal Orthopaedics as our on-site partners'.
