

## PATIENT CARE ASSISTANT - SURGICAL DPU/ WARDS CASUAL

We are seeking enthusiastic and self motivated Patient Care Assistants to join our surgical ward and DPU teams to deliver personal care services to our patients and to support qualified health practitioners in the effective management of the ward/unit. Your previous experience in service delivery in a health care setting is essential for securing this role as is your ability to meet the physical demands of the role.

Key responsibilities of this role include the provision of personal hygiene services, transportation of patients, assisting with patient positioning, stock replenishment, cleaning and maintaining infection control principles.

Progression to part time employment may be offered pending individual interest and operational demand.

### **What do we require:**

- At least two years experience working as a Patient Care Assistant in the hospital environment, with surgical experience favourably considered.
- Current Police Check (no more than 6 months old) and Working with Children Check
- Exceptional customer service skills
- Possession or near completion of the Certificate III - Health Services Assistance
- Demonstrated ability to work effectively under pressure with proven organisation and time management skills
- Demonstrated sound and safe practice in the area of patient handling
- Demonstrated ability to work effectively in a team environment
- Possession of well-developed verbal communication skills
- Committed to delivering quality in health care service
- Knowledge & respect for workplace safety
- Ability to work within the Bethesda Code of Conduct

### **Employee Benefits include:**

- Friendly and modern working environment
- Attractive remuneration
- Discounted staff meals
- Access to free parking
- Close to public transport
