

Staff Development Nurse Perioperative Full time

If you are looking for a job with an employer with an enviable reputation and gorgeous location on the banks of the Swan River, Bethesda Health Care is offering the opportunity for an experienced nurse to join our leadership team that supports 9 theatres.

We are looking for a dynamic individual to take on this essential role, working collaboratively with the hospital's senior leadership team and theatre staff to achieve agreed targets and contribute to the achievement of the overall objectives of our organisation.

In this role, you will also have the opportunity to take on additional responsibilities including the management of our Custom Pack account and the facilitation of product trials within the perioperative unit. The position would ideally suit an experienced nurse looking for professional growth.

Essential Criteria

- Ability to demonstrate and work within the Bethesda Health Care Values at all times.
- Registered Nurse qualification and AHPRA registration
- Current Police Check (no more than 6 months old) and Working with Children Check
- Minimum 5 years' experience in perioperative nursing
- Previous experience in an SDN role or senior experience across multiple specialities.
- Excellent facilitation and presentation skills which demonstrate an awareness of adult learning principals
- Demonstrated clinical knowledge as a resource referral for staff
- Knowledge and application of ACORN Standards
- Evidenced based Nursing Best Practice including Infection Control principals relevant to perioperative nursing
- Demonstrated ability to work effectively in teams with well developed written and verbal communication, organisation and time management skills
- A commitment to improving own knowledge base and performance
- Knowledge of National Standards and their application in the perioperative area

Desirable Criteria

- Certificate IV in Training and Development

- Experience in conducting performance appraisals and setting staff objectives
- Experience in assessing mandatory competencies
- Auditing experience
- Proven planning, policy and financial management

Benefits of Employment

- Values driven organisation
- Friendly and modern work environment
- Attractive remuneration including generous salary packaging
- Discounted staff meals
- Free parking
- Close to public transport
